Be a Hero! Find a Hero!

Program Notes and Content Outline

Warm-Up and Introduction:

GAME: Wand - Hand Clapping

TRICK: Tray of Terror with the Dog Leash of Danger

Introduction of the Show: Super Kids! Super Heroes!

Super Heroes are really fun to read about and watch in the movies! Everybody likes to see a Super Hero fight for the underdog. We love to see good triumph over evil. Although these Super Heroes seem to have super powers and wear cool costumes, all of us know that these characters are just pretend. They aren't real. This presentation is about teaching students how they can be real life Super Kids and Super Heroes to others. Through the excitement of magic tricks, music and stories, you will learn about how to be a real life Hero.

TRICK: Super Bunny Handkerchief - appears, disappears, goes through mic stand

TRICK: Super Chicken Routine

TRICK: Balloon to Dove

Being a HERO is not really about silly costumes or super human powers. It's about what's inside. We can all learn to be HEROES and it is good for everyone to find real life HEROES.

POEM: Super Kids Super Heroes by Steve Harmer:

HELP out another person, and do good deeds today.

ENCOURAGE someone else, with the words that you say.

RESPECT is all about, good thoughts in your mind.

OTHERS will look up to you! Be the HERO that they find!

And seek a HERO for yourself, someone who helps YOU out.

This person builds YOU up with words, of this there is no doubt.

A person YOU look up to, who shows respect towards YOU.

Your HERO is a treasure, whose strength will see you through!

HERO Dictionary Definition:

1. A person of distinguished courage and ability
2. A person admired for brave deeds and noble qualities
3. A role model or an ideal

HERO QUOTES:

“A hero is an ordinary individual who finds the strength to persevere and endure in spite of overwhelming obstacles.” [Christopher Reeve](#)

“A hero is someone who has given his or her life to something bigger than oneself.” [Joseph Campbell](#)

“H” - Handkerchief: **HELP Sign (Heroes HELP others – ACTION!)**

Real life Heroes choose to help others. You become a Hero by getting involved and doing good deeds to make this world a better place. The more you do acts of kindness and help others, the more quickly you will become a Hero. Mother Teresa said that “We are not all called to do great things but we are called to do small things with great love.” That is how we become Heroes. HELP others! You have heroes all around you that help you: maybe your Mom, your coach, your Grandpa, your teacher, your big sister

TRICK: Human Xylophone Routine (with 8 helpers)

These students sure helped me out. That is the first step to being a Hero.

“E” - Handkerchief: **ENCOURAGE Sign (Heroes ENCOURAGE others – WORDS!)**

Real life Heroes choose to encourage others. This means they use words, lots of words, to build people up and give them courage. The more positive and kind words you pour into others, the more you become a Hero. We all need to hear words of encouragement everyday to survive the ups and downs of life!

TRICK: Ups & Downs Box

Barbara Coloroso says the children need to hear these **6 Critical life Messages** many times a day:

I believe in you!

I trust you!

I know you can handle it!

You are listened to! You are cared for! You are very important to me!

“R” - Handkerchief: **RESPECT Sign (Heroes RESPECT others – THOUGHTS!)**

Real life Heroes choose to show respect towards others. This has to do with how you think about others. When you think the best about others with gratefulness, grace, consideration and kindness you can become a Hero.

STORY: 7 Wonders of the World

TRICK: 10 Gift Balance (with 1 helper)

“O” - Handkerchief: **OTHERS Sign (Heroes put OTHERS first – UNSELFISH!)**

Real life Heroes choose to focus on others and putting others first. Heroes are so concerned that they are willing to sacrifice their own time, treasure and talent for the sake of others. Heroes CARE about others.

STORY: No Charge for Love Story (with sign)

HERO or ZERO? – You get to choose!

Here is the great news! You get to choose if you want to be a HERO and do the things I have suggested. You can also choose to do ZERO or nothing. You can choose to find a real life HERO for yourself or choose to do nothing. It is totally up to you but who wouldn't want to be a Hero?

TRICK: Zero to Hero handkerchief change

CONCLUSION: (HEROES - Help Encourage Respect Others)

**TRICK: HEROES - Giant Colored Bin Prediction / Giant Cards / Pom Pom Bag
(with 3 helpers who know how to make great choices)**

TRICK: Superman Bunny Appearance

TRICK: Live BUNNY appearance – We need real live HEROES, not pretend HEROES
